present

The Eleventh International Workshop on Opsoclonus Myoclonus Ataxia Syndrome Clinical and Basic Science

The Dancing Eyes Syndrome Support Trust and The OMSLife Foundation are proud to host the eleventh workshop on Opsoclonus Myoclonus Ataxia Syndrome (OMAS). This workshop provides an opportunity for researchers, clinicians, caregivers, and advocacy groups to share the latest information on OMAS. This year will feature over 50 attendees from seventeen countries.

WHEN: The workshop is a closed meeting from April 10-12 2025

WHERE: The Leonardo Royal Hotel Oxford – Oxford UK
